

1.

The screenshot shows the Taskalley mobile application interface. At the top, there is a navigation bar with icons for 'Post A Task', 'Browse Tasks', 'Browse Services', and a user profile icon. On the left, a vertical sidebar menu is visible for a user named 'test10' (customer). The menu items include 'Profile Info' (which is highlighted in green), 'Notifications', 'My Transactions', 'Manage Account', 'Security Settings', and 'Referrals & Discounts'. The main content area is titled 'Profile Info' and contains fields for Name (test10), Email (test10@gmail.com), Phone Number (+8801533872221), Location (Sarulia, demra), and Role (Customer). A red arrow points from the 'Profile Info' button in the sidebar to the 'Profile Info' section in the main content area. A red text overlay 'I've fixed the issue' is placed above the main content area.

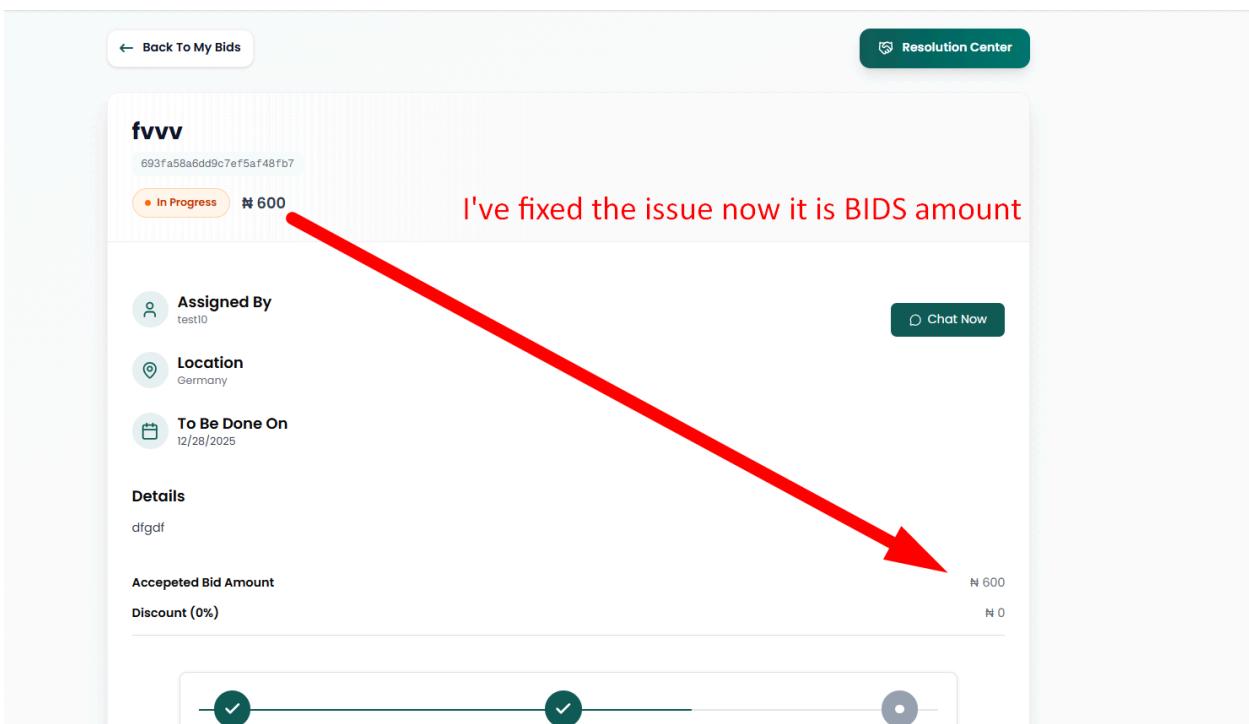

2.

The screenshot shows the Taskalley mobile application interface. At the top, there is a navigation bar with icons for 'Post A Task', 'Browse Tasks', 'My Services', and a user profile icon. On the left, a vertical sidebar menu is visible for a user named 'Asadujjaman 6' (provider). The menu items include 'Profile Info', 'Notifications', 'Manage Account', 'Earning', 'Security Settings' (which is highlighted in green), and 'Referrals & Discounts'. The main content area is titled 'Security Settings' and contains fields for 'Old Password', 'New Password', and 'Confirm New Password'. Below these fields is a large green 'Update Password' button. A red text overlay 'Fixed the update password issue' is placed below the main content area.

6.

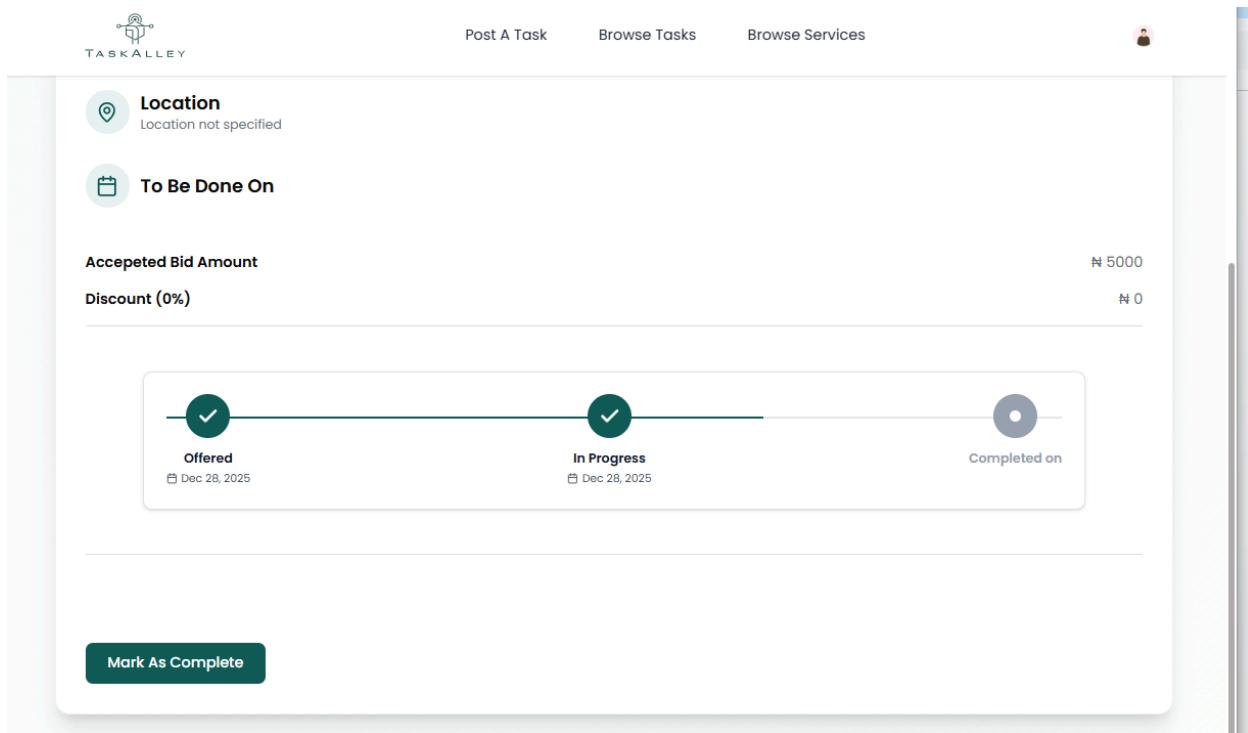

7.

The screenshot shows a Taskalley interface. On the left, there's a task titled "erret" with a location in Kadınlar Deniz, 2172/1 sokak No:13, 09400 egeg/Aydin, Türkiye, and a budget of ₩ 5000. A red arrow points from this task to a bid listed on the right. The bid is from a provider named "test10" who offers ₩ 3000. The provider has 0 reviews. A red button labeled "Delete Bid" is visible next to the provider's information. The interface includes tabs for "General", "Car Reparing", and "Bids". A sidebar on the right shows a notification for "1 Issue".

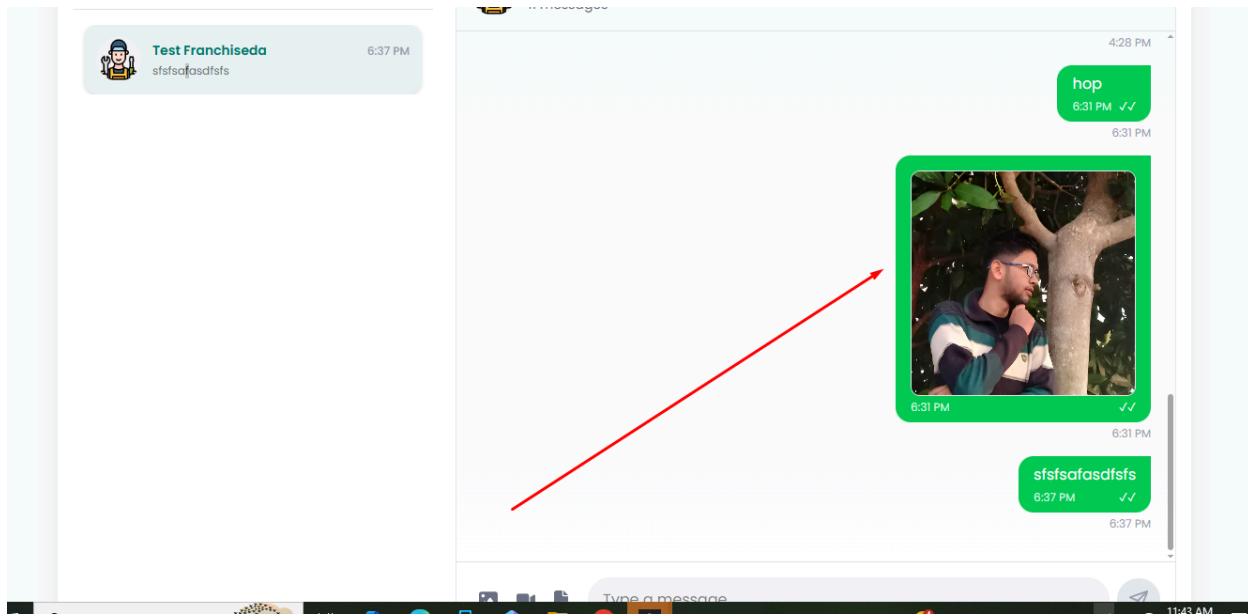

8.

The screenshot shows a Taskalley interface with a search bar at the top. Below it, there are two tasks: "Test with client" and "new task update up". A red arrow points from the "Search for a task" field to the "Search for a loc" field. Another red arrow points from the "Price Range" filter to a world map on the right. The map displays several orange location markers in Europe, the Middle East, and South Asia. The interface includes tabs for "Post A Task", "Browse Tasks", "Browse Services", and a user profile icon.

9. Task owners (customers) currently have access to complete their assigned tasks.  
Please look at the video: <https://app.usebubbles.com/54KM9UndCwJNQPLNG9C2Rq>

10.

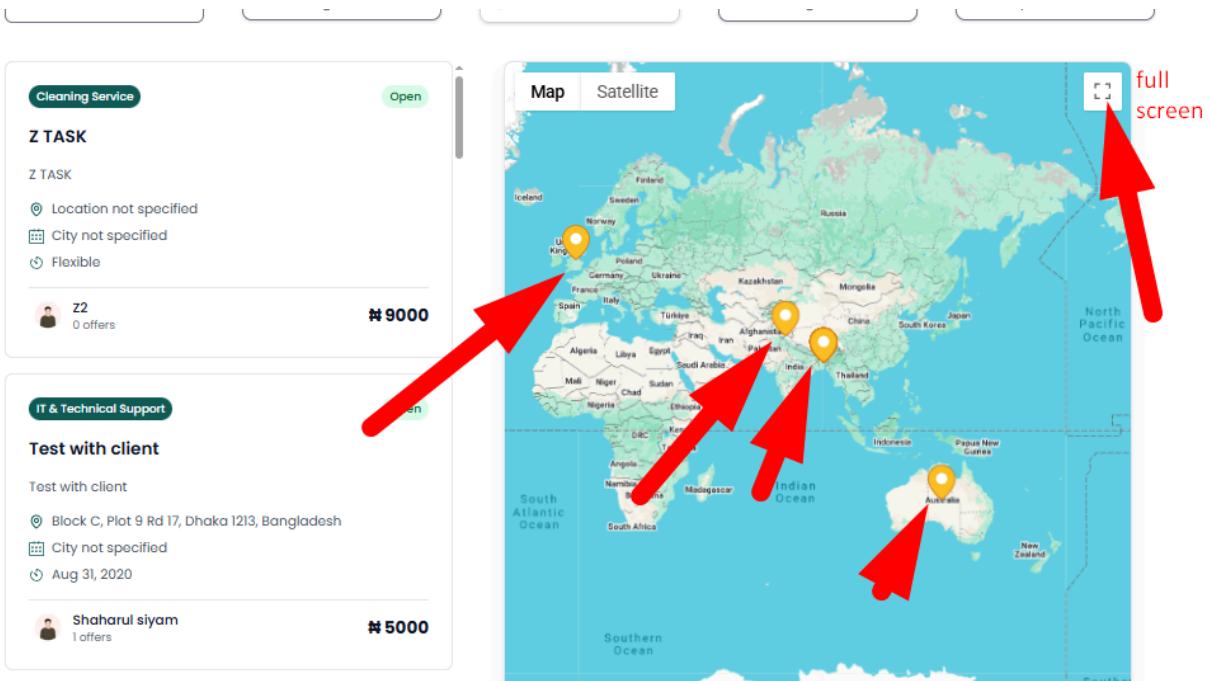

11.

The screenshot shows a mobile application interface titled "Manage Account". On the left is a sidebar with a user profile icon and the word "provider". Below the profile are five buttons: "Profile Info", "Notifications", "Manage Account" (which is highlighted in dark green), "Earning", and "Security Settings". The main area is titled "Manage Account" and contains a table with the following data:

ACCOUNT HOLDER	TYPE	ACCOUNT NUMBER	STATUS	ACTIONS
II	Bank Account	5465465454444444	Connected	<a href="#">Edit</a>

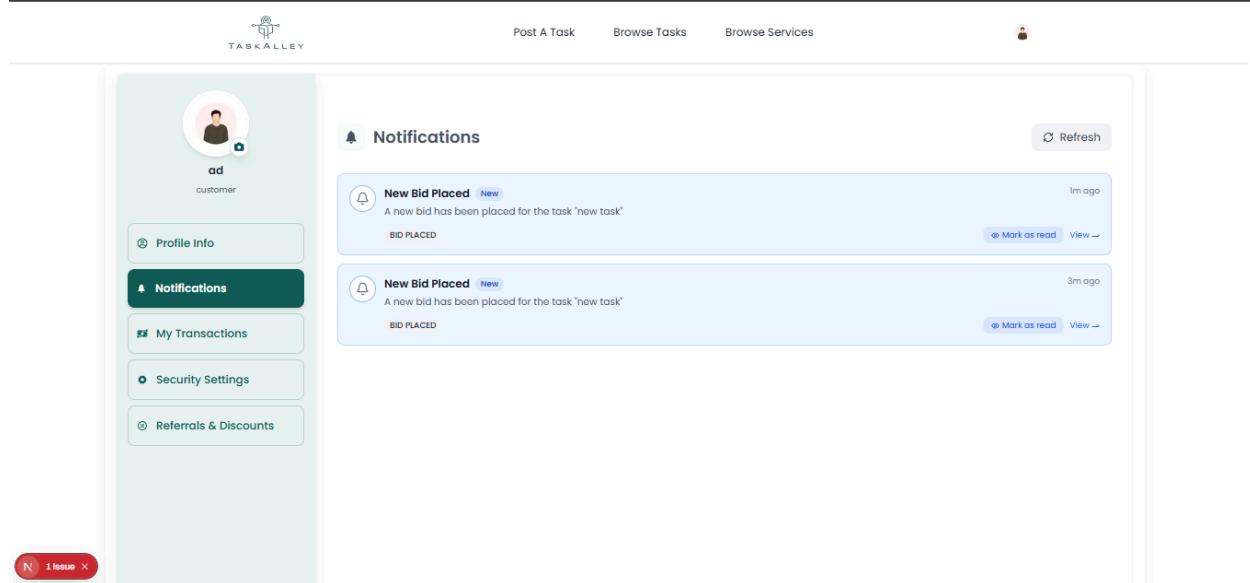

Below the table, the text "Edit VBN number is fixed" is displayed in red.

12. The map actually shows only the locations where tasks are available. When you checked earlier, the task was probably within Dhaka, which is why Dhaka was showing on the map. I've added a screenshot now—please take a look. You can see that tasks are available in Australia, Myanmar, and Pakistan. If you view it in full screen and zoom in, you'll be able to see the locations more clearly and in more detail.

### 13. I've fixed the notification reload button issue

Please look at the video: <https://app.usebubbles.com/7SufBi54TSmmAQXutD28DT>

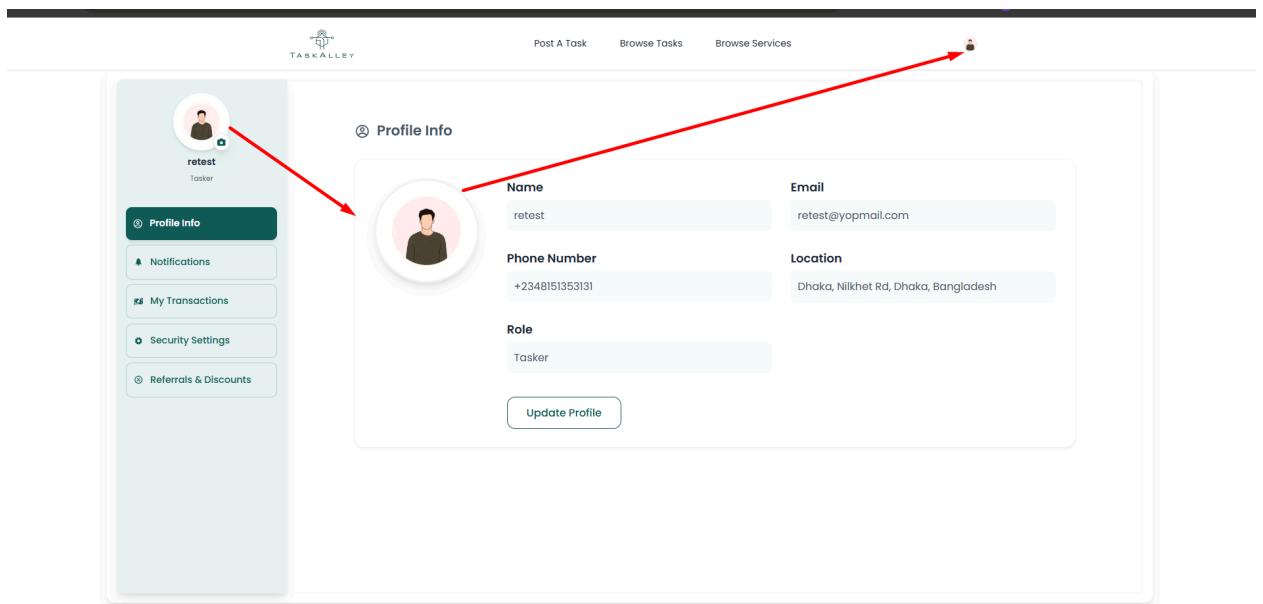

Customer:

Already fixed the number 1, 2, 3, 5, 7, 11, 14, 16

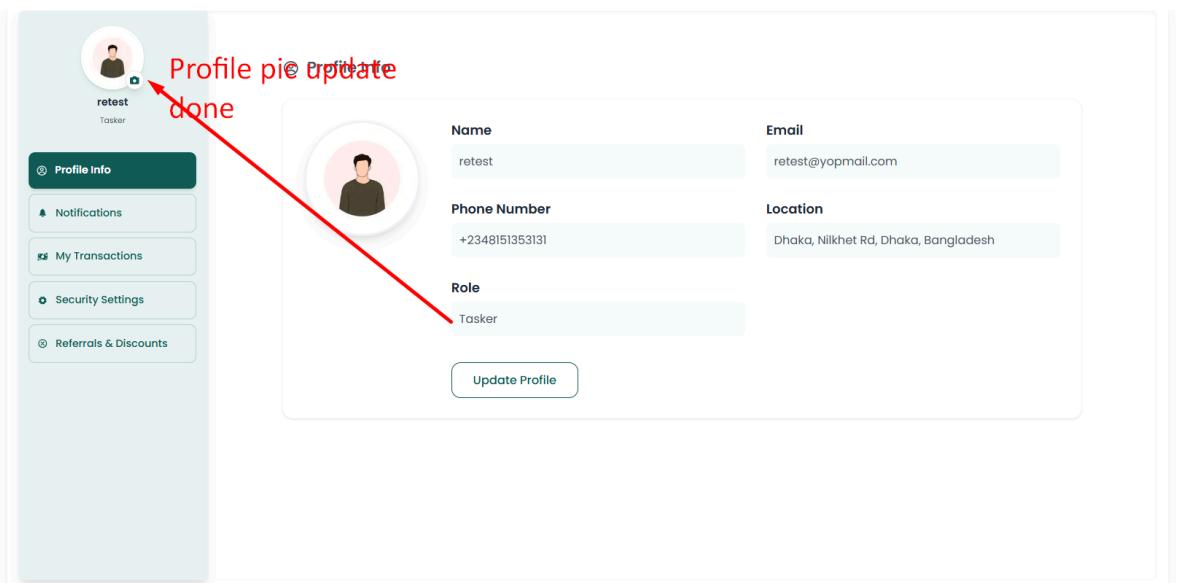

12. When a provider switches to the customer role, we allow the switch because the address verification has already been completed. For the customer role, only address verification is required. However, when a customer switches to the provider role, VBN and other necessary verifications are required.

Provider:

The screenshot shows a web browser window for the Taskalley platform. The URL in the address bar is `taskalley-deploy-5tz.vercel.app/notifications`. The page has a header with the Taskalley logo, a search bar, and links for "Post A Task", "Browse Tasks", and "Browse Services". On the left, there's a sidebar with a user profile picture and the name "retest" under "Tasker". Below the profile are five menu items: "Profile Info", "Notifications" (which is highlighted in green), "My Transactions", "Security Settings", and "Referrals & Discounts". The main content area is titled "Notifications" and displays four recent notifications, each with a blue bell icon. The notifications are: "New Bid Placed" (4d ago), "A new bid has been placed for the task 'new task update'", "BID PLACED"; "New Bid Placed" (4d ago), "A new bid has been placed for the task 'new task update up'", "BID PLACED"; "New Bid Placed" (4d ago), "A new bid has been placed for the task 'new task update up'", "BID PLACED"; and "New Bid Placed" (5d ago), "A new bid has been placed for the task 'Df'", "BID PLACED". To the right of the notifications, there's a "Refreshing..." button with a circular arrow icon. A large red arrow points from the bottom right towards this button.
